

Host an Author Visit and Raise Money for Your School!

Ellen Bryant Lloyd Children's Book Author and Publisher

Children's book author, Ellen Bryant Lloyd, is booking school visits for the current and upcoming school year. Visits include fun-filled, engaging and age-appropriate presentations designed to foster an enhanced interest in reading and an introduction to the world of publishing. Targeted grade levels are K-5.

Ms. Lloyd is the author of *FRECKLES®*, the debut adventure of an adorable puppy named Freckles. *FRECKLES® and The Great Beach Rescue* is the second book in the adventure series, and the third and fourth adventures are in the works!

Author visits with Ms. Lloyd include a reading of her most recent book (see featured book below) followed by a presentation about the writing and/or publishing process, "How a Story Becomes a Book."

Benefits of hosting an author visit:

Raise money for your school - - 10% of all sales generated the day of the visit will be donated back to your school

An autographed copy of *FRECKLES® and The Great Beach Rescue* will be donated to your media center

Adult-sized Freckles character available to meet and greet students (provided the school secures a volunteer)

Complimentary bookmarks and stickers given to all participating students

Complimentary master coloring sheets provided to coordinator

Books will be personalized and autographed by the author through pre-sales

Fee Information:

\$250 for the first session

\$200 each additional session

(each session typically runs 45 minutes with 10 minutes for questions)

4 session maximum preferred per day

Plus travel and lodging expenses

Introducing...

FRECKLES® and The Great Beach Rescue

Meet Freckles, an adorable little puppy, and learn about all of his adventures. In the newest adventure, *FRECKLES® and The Great Beach Rescue*, Freckles befriends Pinch, a sand crab that feels out of place with the other playmates due to his size. Freckles helps his little friend find

heroic strength and courage, and together they rescue trapped baby sea turtles, moments before an impending storm.

This story teaches children the important lessons of believing in yourself, recognizing individual strengths and talents, and finding the courage to face challenges.
